Consolidated financial statements on whether the Company has adequate internal financial control with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors'.
- Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. [f we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial results or, if such disclosures are inadequate, to modify our opinion. our conclusions are based on the audit evidence obtained up to date of our auditor's report. However future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the statement, including the disclosures, and whether the statement represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group and its joint venture to express an opinion on the consolidated annual financial results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated annual financial results of which we are the independent auditors. We communicate with those charged with governance of the Holding Company and such other entities included in the statement of which we are the independent auditors regarding among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify our audit.
