## Press Release

---

# Commencement of commercial production at PT Sumatra Resources International, at Pangklan, West Sumatra Indonesia, a unit owned by our joint venture company namely Agro and Spice Pte. Ltd., Singapore.

*Kolkata, April 18, 2018*

The Indian Wood Products Co. Limited (BSE: IWP): We are pleased to inform you that the commercial production of catechins from gambier through solvent extraction has started at PT Sumatra Resources International, at Pangklan, West Sumatra Indonesia, a unit owned by our joint venture company namely Agro and Spice Pte. Ltd., Singapore.

The commercial production has commenced from today i.e. April 18, 2018 after extensive trial runs undertaken during the previous months. 100% production from this plant will be imported and consumed by our Company for manufacturing of better quality Katha. Considering the innovative technology and the process being used for the first time ever in the Industry, it is expected to benefit the Company by cost reduction and improved quality of Katha.

### **Disclaimer**

This press release includes forward-looking statements. We have based these forward-looking statements on our current expectations and projections about future events. Such statements involve known and unknown risks, uncertainties and other factors that may cause actual results to differ materially. Such factors include, but are not limited to, changes in local and global economic conditions, our ability to successfully implement our strategy, the market acceptance of and demand for our products, our growth and expansion, technological change and our exposure to market risks. By their nature, these expectations and projections are only estimates and could be materially different from actual results in the future.
